12A 80G & CSR CERTIFICATE

In India, non-profit organisations can benefit significantly from two specific registrations provided by the Income Tax Department: 12A and 80G. The 12A registration grants non-profit organizations an exemption from paying income tax on their earned income, which can greatly aid in maximising the funds available for their charitable activities. Additionally, the 80G registration offers a substantial benefit to the donors of these organisations, allowing them to claim deductions on their taxable income for any donations made.
